

Key Knowledge

- I will identify physical and human features of the locality including key topographical features (including hills, mountains, coasts, rivers) and land patterns.
- I will be able to explain about weather conditions/ patterns around the UK and parts of Europe.
- I can use maps, atlases, globes and digital/computer mapping (Google Earth) to locate places and describe features studied.
- I can use the eight points of a compass, 2 figure grid reference (maths co-ordinates), some basic symbols and key (including the use of a simplified Ordnance Survey maps) to build their knowledge of the United Kingdom and the wider world.
- I can use fieldwork to observe and record the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and digital technologies.
